

Solar Car Challenge Update - Team Check-in

Teams need to bring the following at Team Check-In:

- (1) Updated registration packets, including changes in electrical and mechanical schematics, data sheets, and supporting documents.
Note: If nothing has changed, no updates are needed.
- (2) Release of Liability Form for the Solar Car Challenge. [[Copy Attached](#)]
Note: This was e-mailed to teams earlier, but another copy of that form is attached for reference. This document requires both student and parent signatures.
- (3) Release of Liability for the Texas Motor Speedway. [[Copy Attached](#)]
Note: This document requires parent signatures.
- (4) Certificate of Insurance showing that you have liability insurance on your Solar Car.
Note: Please contact Mark Frederiksen if you need assistance.

- (5) Drivers must show a valid driver's licenses at Check-In, and will receive an identifying wrist band.
- (6) Teams must make arrangements if more than 14 people (students, teachers, chaperones) are attending the event.
Note: Everyone will receive a special wristband that will help us maintain better security at the event.
- (7) Photo Album showing teams building/preparing for the race.
Note: This can be submitted digitally.

Other requests:

- (1) Please continue to post pre-scrutineering pictures of your solar car, when available.
Note: This gives Race Staff an opportunity to see you progress so that we can help you better prepare for scrutineering.
- (2) Please send me an e-mail by July 1st sharing the number of people from your team that will be attending this year's Solar Car Challenge. This makes it possible for us to better plan meals, assembly spaces, and security. This includes team members, teachers, chaperones, parents.
