 - Rotating Equipment Reliability
 - Energy Industry

Teamwork

- **Acknowledge that there is a common goal**
- **How to work with others**
 - **Multi Discipline Projects**
 - **Evaluate Priorities**
- **How to utilize everyone's talents**
- **Someone needs to move the train**
- **How to handle team relations in stressful situations**

Priorities vs Goals

- **Everyone has different priorities**
 - Mechanical wants a strong car
 - Electrical wants an efficient car
 - Social Media wants a good looking car
- **What is our end goal?**
 - To make it to the race
 - To pass scrutineering
 - To learn
 - To grow
